Greetings from ASNE Flagship: Your 2017 Section of the Year!

Fellow ASNE Flagship Members, welcome to the start of the 2018-2019 technical program year! We are extremely excited to bring you new content, speakers, tours, symposia, and workshops over the next 10 months. A warm welcome to Jeannine Mantz and Randy Zmuda who are taking over as Secretary and Symposia and Workshop Chair, respectively. Starting this year, we will also be increasing our undergraduate scholarship awards by $1,000. Next year’s scholarship applications will be available online soon so don’t miss out! Also, ASNE Award nominations are due November 1st and DCCEAS Award Nominations are due December 14th. If you have a Flagship member that you would like to nominate, please reach out to Maggie Nate.

MODERATOR VOLUNTEERS NEEDED!
The upcoming Design Science Series on Modular Adaptable Ships near Capitol Hill in Washington DC is looking for Flagship volunteers to moderate the technical papers tracks. If you are interested in serving as a moderator for this event on November 15th which includes topics such as affordability, flexibility, and modernization, let us know!

Like Golf? Want to get more involved with ASNE Flagship but don’t know where to start? We are currently seeking members to serve as Chair of our Annual ASNE Flagship Golf Tournament held each spring! All Golf proceeds go towards our scholarship fund. If interested, please reach out to Samantha Hertel for info.
