NEW ASNE MEMBERSHIP PROMOTION!

FOR FEDERAL GOVERNMENT & ACTIVE DUTY PERSONNEL:
The American Society of Naval Engineers (ASNE) is offering a limited-time annual membership promotion for federal government employees and active duty uniformed service personnel. Available now until the 31st of December, you can become a member of our esteemed Society at the low rate of $50.00 for federal government employees (GS/ST/SL/SES and Active Duty O-3 and above) and $25.00 for Active Duty service members (E-1 through O-2). Don’t miss the boat, join today!

DISCOVER THE BENEFITS OF ASNE MEMBERSHIP:

- Take advantage of discounted registrations for our new virtual symposia
- Explore our jobs board and expand your network with the industry’s top leaders and professionals in our message board and membership directory
- Keep up with the latest news and research with our digital version of the prestigious Naval Engineers Journal, ASNE SmartBrief, and discounted symposia proceedings
- Continue your education with our various resourceful on-demand learning webinars and professional development courses
- Already a member of ASNE? Please consider sponsoring a colleague, mentee, protégé or student member!

ASNE works to advance the knowledge of naval engineering in public and private applications and operations, enhance the professionalism and well-being of members, as well as promoting naval engineering as a career field.

Visit our website www.navalengineers.org for more details and information.
