We cordially invite you to attend:

**Student Papers Night: US Naval Academy and
Virginia Tech Senior Design Projects**

**Presenters: US Naval Academy midshipmen, advised by Dr. Jaye Falls;
and Virginia Tech students, advised by Prof. Alan Brown**

Thursday, 20 April 2017

5:00PM-8:30PM

Please join us for the 2017 Student Papers Night, a joint meeting of the SNAME Chesapeake and ASNE Flagship sections. We are pleased to have large group of student presenters from both the Naval Academy and Virginia Tech this year and will do our best to keep to a very tight schedule.

Please note that the meeting start time has been moved up half an hour earlier than usual to accommodate the full program while allowing for a reasonable adjournment time. Our student guests from Virginia Tech in particular have a long drive home afterward.

Also, we ask you for your help. We do not charge students for their attendance at our meetings, and the cost of providing meals is significant. To help offset this cost, please consider making an additional voluntary contribution. Contributions can be made either on the online registration page or at the registration table the evening of the meeting. The suggested donation amount is \$10, however we have made several options available. Thank you.

Menu:

Pizza, Bread Sticks, Soda & Water

Meeting Fee:

\$15 for ASNE/SNAME Members;

\$20 for Non-members

Free: Full-time ASNE/SNAME engineering students
